### DISCLAIMER

This Website is for informational purposes only, which means that all advertisements, price lists, catalogues and other information posted on the Website should not be considered an offer. Through the Website, it is not possible to conclude a sales agreement or a service agreement. The conclusion of an agreement can be made as a result of an inquiry addressed to the Owner and after the parties have agreed on the detailed conditions of such an agreement - the conclusion and the conditions of such an agreement can be the subject of individual pre-contractual arrangements between the parties, conducted for example by e-mail, by phone or in person at the Owner's headquarters.

All content and articles available on the Site are for information purposes only. The Owner makes every effort to ensure that the data presented on the Site are up-to-date and consistent with the real state of affairs.

The Administrator of the personal data collected and processed in connection with the use of the Website is the Owner. Personal data are processed for the purposes, for the period and on the basis of the grounds and principles indicated in the **privacy policy** published on the Website. The privacy policy contains, in particular, the principles concerning the processing of personal data by the Administrator at the Website, including the grounds, purposes and duration of the processing of personal data and the rights of data subjects, as well as information on the use of cookies and analytical tools at the Website. The use of the Website is voluntary. Similarly, the related provision of personal data by the user of the Website is voluntary, subject to exceptions indicated in the privacy policy (e.g. use of certain electronic services of the Website).

### USAGE OF THE SITE

The Site is available to all Internet users. Within the Site, the Owner makes available information about his business activity, products sold and services provided.

Proper use of the Site requires that you meet the following technical requirements:

## ELECTRONIC SERVICES

The Website contains information concerning the activity conducted by the Owner of the Website. The Website is primarily of informational nature concerning the above mentioned investment and enables all interested parties to get acquainted with it. The website also enables contact through a contact form.

The following electronic services are available on the Website: **a blog with information and news about the Website Owner's business, and a contact form.**

**You may visit the blog** directly on the Website. The blog is available free of charge to all visitors of the Website, without the need to provide any data or perform any other actions. Within the blog, the Owner publishes articles related to the subject matter of the Website.

The User may stop using the blog at any time and for any reason by closing the web browser.

**The contact form can be used** after three consecutive steps have been completed by the user - (1) clicking on the "Contact" tab or any other tab with a contact form, (2) filling in the contact form with the mandatory data and (3) clicking on the action field below the form. The contact form requires the content of the message addressed to the Owner and at least the following user data: name, contact telephone number and e-mail address to which the Owner's reply should be sent.

The electronic service of the contact form is provided free of charge and has a one-time nature and terminates at the moment of sending a message through it or at the moment of earlier discontinuation of formulating a message through it.

All content sent via the Website should be reliable and contain truthful information. It is forbidden for users to send and post content that violates the rules of netiquette and contains information that is untrue or may mislead the Owner or other people, as well as containing advertising content or content that directly or indirectly promotes other websites, products and services.

## COPYRIGHTS

Copyrights and intellectual property rights to the Site as a whole and the content, graphics, works, designs and marks available as part of it belong to the Owner or other authorized third parties and are protected by copyright and other generally applicable laws. The use of the content of the Site is permitted without restrictions for personal use. Any other use of the contents of the Site requires a prior explicit consent of the Administrator or other authorised third parties.
